It's My Birthday

Wallpaper.

Chorus :
It's my birthday and I'm gonna do
Whatever I want to
It's my birthday and I'm gonna do
Wherever I want to
Miami, New York x2, Las Vegas, L.A, California,
London, Milan, ..., Paris x2,
I don't really care where as long we get it on
Party on the street, party on the stairs,
Party in (strech) with the party in the air
Ama, ama
Chorus:
It's my birthday and I'm gonna do
Whatever I want to
It's my birthday and I'm gonna do
Wherever I want to

Gemini, Aries, Taurus, Cancer, Virgo, Leo,
The stars hold on to the answer
Libra, Scorpio, Sagetarius, Capricorn, Pisces
Last one but not least, Aquarius
Close your eyes have a seat,
Close your eyes take a trip,
Close your eyes, make a wish
Open surprise, boys strip
Chorus:
It's my birthday and I'm gonna do
Whatever I want to
It's my birthday and I'm gonna do
Wherever I want to X2
It's my birthday, my birthday x 3
