

# Mary Of Silence

[Mazzy Star](#)

Oh, Mary of Silence  
You pick my heart with a smile  
Oh, sweet Mary  
Come inside for a while Help me get a hold on you  
Or I will [Incomprehensible]  
I thought of myself beside you  
Take me into your skin Oh, sweet Mary of Silence  
Oh, sweet Mary of Silence We have a steady confusion  
You're looking at fear  
It doesn't seem like the first time  
You walked out in a hurry Oh, sweet Mary of Silence  
Oh, sweet Mary of Silence I look in, in your window  
To check my head in your pane  
My last thoughts, they come to me  
I can't take the pain Oh, sweet Mary of Silence  
Oh, sweet Mary of Silence Help me walk with you  
To the sky in [Incomprehensible]  
Shuddering in myself, myself Oh, where?  
Oh, where?  
Oh, where? Sweet Mary of Silence  
Sweet Mary of Silence  
Sweet Mary of Silence
