

# My Town

## Little Texas

This old town's been home as long as I can remember  
This town's gonna be here long after I'm gone  
Here we all work hard and we stick together  
We've been down, but we still go on  
Oh and This town is my town and it's all right  
Love or hate her, it don't matter  
'Cause I'm gonna stand and fight This town is my town  
She got her ups and downs  
But love or hate her, it don't matter  
'Cause this is my town This old town is where I learned about lovin'  
This old town is where I learned to hate  
This town, buddy, has done it's share of struggling  
This town taught me that it's never too late  
Oh and This town is my town and it's all right  
Love or hate her, it don't matter  
'Cause I'm gonna stand and fight This town is my town  
She got her ups and downs  
But love or hate her, it don't matter  
'Cause this is my town This town is my town and it's all right  
Love or hate her, it don't matter  
'Cause I'm gonna stand and fight This town is my town  
She got her ups and downs  
But love or hate her, it don't matter  
'Cause this is my town This town is my town and it's all right  
Love or hate her, it don't matter  
'Cause I'm gonna stand and fight This town is my town  
She got her ups and downs  
But love or hate her, it don't matter  
'Cause this is my town Oh, yeah, 'cause this is my town  
This is my town  
Oh, yeah, it's all right  
This is my town  
This is my town Oh, yeah, 'cause this is my town  
This is my town  
Oh, yeah, 'cause this is my town
