

C2gu

(hed) P.e.

Aw, man, you're breaking my heart
What do you mean it's not working out?
What does that even mean?
What's not working out?
What does that even mean?
Run, run but you can't hide, it's suicide
I'm coming to get you
No, nowhere to go 'coz I'm so psycho
I'm coming to get you
Turn around, can you hear the sound?
I'm coming to get you
If I can't have you, no one will, I'm dressed to kill
I'm coming to get you
I feel my spirit leaving
I just can't walk away
Why am I not worth keeping?
You can't throw me away
This life is not worth living
Without you in my bed
This battle is never-ending
As long as she rents my head
Run, run but you can't hide, dead or alive
I'm coming to get you
No, nowhere to go, I'm so psycho
I'm coming to get you
Hey, hey, turn around, can you hear the sound?
I'm coming to get you
If I can't fuck it, no one will, I'm dressed to kill
I'm coming to get you
With every word you swallow
I fill up with regret
I won't wake up, I'm hollow
Tomorrow I'll wake up dead
And no one can ever feel the way I do
No one will ever fuck you like I do
No one will ever love you like I do
No one
Run, run but you can't hide, it's suicide
I'm coming to get you

No, nowhere to go, I'm so psycho
I'm coming to get you
Hey, hey, turn around, can you hear the sound?
I'm coming to get you
If I can't have you, no one will, I'm dressed to kill
I'm coming to get you
