Fall In Line

Automatic 7

If youre sitting down get on your feet
Lets wake up those who are asleep
March on, left to right to left again
Our feet in sync to this rhythm
Conducted by the hand of the saving OneReport fall in line, big mission with little time
Salute, stand tall with one voice answer the call
Hear us say JesusWhere are we while the world caves in
Are we showing love or hate, are we enemy or friend
What was black and white has now turned grey
Lets right this wrong with love today
Stand our ground with a helping handReport fall in line, big mission with little time
Salute, stand tall with one voice answer the callHear us say Jesus
We got something to say, got something to say
Hear us say Jesus
Is alive and well, alive and well todayHalle Hallelujah
Halle HallelujahSo sing it out now, with one voice loud and clear
Sing Hallelujah, for our Redemptions nearSo sing it out now, with one voice loud and clear
Sing Hallelujah, for our Redemptions nearHear us say Jesus
Hear us say Jesus
Were not messing aroundIts time for us to stand up and speak the truth of His love
Its time to let the world know weve got something to say
We got something to say
Its time for us to lift our hands 'til the world understands
Jesus the reigning King is alive and well alive and well today
Jesus the reigning King is alive and well alive and well todaySo sing it out now, with one voice loud and clear
Sing Hallelujah, for our Redemptions nearSo sing it out now, with one voice loud and clear
Sing Hallelujah, for our Redemptions near
