No Big Deal

Love And Rockets

You set me up again, you make me lose my friends
I just don't know what I'm gonna do with you
Your feet are still on the ground, so you put me down
I just don't know what I'm gonna do with youI don't feel, you're no big deal
No big dealI got into a fight, got into it tonight
I just don't know what I'm gonna do with you
You talk much to loud, when you put me down
I just don't know what I'm gonna do with youI don't feel, you're no big dealYou know you broke my heart and that was just the start
I just don't know what I'm gonna do with you
You know you broke my heart and that was just the start
I know just what I should do for youI tell you, I don't feel
You're no big deal, no big deal
