

# Let It Snow, Let It Snow, Let It Snow

Harry Connick, Jr.

Oh, the weather outside is frightful  
    But the fire is so delightful  
    And since we've no place to go  
Let it snow, let it snow, let it snowIt doesn't show signs of stopping  
    And I brought some corn for popping  
    The lights are turned way down low  
Let it snow, let it snow, let it snowWhen we finally kiss good night  
    How I'll hate going out in the storm  
    But if you really hold me tight  
All the way home I'll be warmThe fire is slowly dying  
    And my dear, we're still goodbye-ing  
    But as long as you love me so  
Let it snow, let it snow, let it snowWhen we finally kiss goodnight  
    How I'll hate going out in the storm  
    But if you really hold me tight  
All the way home I'll be warmThe fire is slowly dying  
    And my dear, we're still goodbye-ing  
    But as long as you love me so  
Let it snow, let it snow, let it snow
