

# You're Something Special to Me

George Strait

As I hold you close tonight  
Hear what I say  
There's no doubt  
It's love alright  
'Cause I've never felt this way  
An angel's what you are  
And now I see  
You're not just someone else  
You're something special to me  
Every man has a dream  
And you made mine come true  
How it happened, I don't know or care  
I'm just happy I found you  
Wrapped in the arms of love  
Is where I'll be  
For all the world to see  
You're something special to me  
And every man has a dream  
And you made mine come true  
How it happened, I don't know or care  
I'm just happy I found you  
And wrapped in the arms of love  
Is where I'll be  
For all the world to see  
You're something special to me  
It's all such a mystery  
You're something special to me
