Tantrum

Madeleine

I donâ€™t wanna say goodbye
Donâ€™t wanna cry my eyes out
Trying to hide the truth
That I, I
I donâ€™t wanna

Wish I listened
Wish I wasnâ€™t distant
Wish I didnâ€™t save my kisses
Wish that I, I
Wish I didnâ€™t

I thought that thereâ€™d be time

I still see ya in my dreams
Youâ€™re floating, waving
Reaching, leaving cross the sea
Yeah I, I
I still see ya

I thought that thereâ€™d be time

Never saw the clocks upon the wall
No, I never heard them tick till you were gone

I donâ€™t wanna say goodbye
Donâ€™t wanna cry my eyes out
Trying to hide the truth
That I, I
I donâ€™t wanna

I thought that thereâ€™d be time
