

Not Going Back

Rayburn

Too tired to sleep
So I find myself walking in the night
Oooo there you are
Certain that I saw the invitation of tomorrow
Mmm You warm the cold Selfishly I want to keep the distance
And not risk the pain of knowing you
To idealize and never to despise is my secret
Safe and secure
Now the season's passed
With the secret of your name
Mmm hope is my refrain
So once again, I find myself walkin' in the night
Mmm will I see you again?
