Sympathy For The Parents

Marilyn Manson

{I want to know um
Why it is that all of you seem to have Satanic signs all over you?
And what is that make?
Does this music 'cause you to do, what you do?
Is that directed at us, or the parents?
That's funny, Twiggy
Does the music cause us to do what we do?
We cause the music to do what it does, I think
I think that moshing is a, is a sign of, what Christians would call
Uh, the apocalypse
[Inaudible]Uh, the apocalypse
[Inaudible]Uh, the apocalypse
[Inaudible]Uh, the apocalypse}
