

Atta Boy Girl (Single Version)

Roger Miller

Atta boy girl, that a-way to break my heart

Atta boy girl, atta way to tear me apart

Yeah, you know how to do just what

To make me mad enough to blow my top

Well atta boy girl, atta way to break my heartWell, atta boy girl, atta way to make me cry

Atta boy-oy - boy, you make we wish I could die

Well, you took my young head and filled it full

Of pure D-be-you-double-L bull

Atta boy girl, atta way to make me cryYes, and I'm just a sad and lonely guy-uy

And it's all because, all you do

Is make me sit around feelin' blue-ue

Atta boy girl, atta way to hurt my pri-ide

Atta boy girl, you really tore me up inside

Yeah, you took me for all I had

Well I treated you too good - too bad

Well, atta boy girl, atta way to hurt my prideMmm, I'm just a sad and lonely guy-uy-uy

And it's all because, all you do

Make me sit around feelin' blue

Atta boy girl, atta way to hurt my pride

Atta boy girl, you really tore me up inside

Yeah, you took me for all I had

I treated you too good - too bad

Well, atta boy girl, atta way to hurt my pride
