

# About A Flood

## Son Little

Now what am I supposed to do  
without a flood, when it comes?

And what am I supposed to do  
if I dont know, but know?What if every single candle  
last burned out?

And if each and every fear  
has come about. Ohhhh.

What would be the same?

What would Peter say with catfish all around?

What have we here? Within me there's no doubt.

Went to the clear and I looked all around.

What have we here? Within me there's no doubt.Now what am I supposed to do if I'm in love? Just cut and run?

And if you fall too, how's it gonna look? How's it gonna sound? Ohhh.

What if every tear I have in me pours out?

What if each day passing leaves me more in doubt? Ohhhh.Sugar man in his prime. Be kind.

He'll have it hard!

One foot at a time. A hungry mind gets fed this one time.What would Peter say with catfish all around?

What have we here? Within me there's no doubt.

Went to the clear and I looked all around!

What have we here? Within me there's no doubt.

What would Peter say with catfish all around?

What have we here? Within me there's no doubt.

Went to the clear and I looked all around!

What have we here? Within me there's no doubt.(Let spring air calm you where no one can harm you) (Let  
spring air calm you where no one can harm you)
