Quiet Riot

Devin Townsend

I wait for the pain
It always comes again
And I don't know why
And I don't care why
AnymoreSaved in the end
By an almost friend
And I don't know why
And I don't care why
AnymoreAnd the rain it keeps on comin'
And the rain it keeps at bay, for another day.So thank you John Michelle
I'm on my way to hell
And I don't know
And I don't care why
