Pharmacide

Magrudergrind

Another dose
Sedates the urges
The liquid flows
A new high surgesIt all started out
With a doctor's note
A prescription wrote
For legal dopeA visit to the local pharmacy
And a prayer to change
And wishful hope
Anxiety disorder?
Swallow klonopins
Down your throat
Stress from work?
The pharmacy's got
The perfect cureMedical advice
Without understanding
Convincing ourselfs
That we lack any self control
Self discipline triumphed
The medicinal path commands
The mind and agency fail
Mind and agency fail
Anxiety disorder?
Swallow klonopins
Down your throat
Stress from work?
The pharmacy's got
The perfect cureAddiciton feeble mind
Frail infrastructure
