On Your Way To The Disco

Rogue Traders

Think of me on your way to the disco
Come on, baby, we've come so far
Count to three on your way to the disco
It might be better not to play that cardDance with me, yes, you can if you feel low
It's better if you don't do it alone
So think of me on your way to the disco
On your way to the discoHoney, honey, honey
Don't you think it's funny
People think I'm crazy
They know nothing at allYes, I've learnt a lesson
Music is a weapon
Anything can happen
Under a mirror ballYes, yes, yes
Yes, yes, yesThink of me on your way to the disco
Come on, baby, we've come so far
Count to three on your way to the disco
It might be better not to play that cardDance with me, yes, you can if you feel low
It's better if you don't do it alone
So think of me on your way to the disco
On your way to the discoHoney, honey, honey
Don't you think it's funny
People think I'm crazy
They know nothing at allYes, I've learnt a lesson
Music is a weapon
Anything can happen
Under a mirror ballYes, yes, yes
Yes, yes, yesSo, sweet baby
I won't get left behind
There's nothing in this world I'd rather do
Than take your hand in mineOn your way to the disco
On your way to the disco
On your way to the, to the
On your way to the discoHoney, honey, honey
Don't you think it's funny
People think I'm crazy
They know nothing at allYes, I've learnt a lesson
Music is a weapon
Anything can happen
Under a mirror ball
