The Lake (Instrumental)

Laurie Anderson

I walk accompanied by ghosts.
I walk accompanied by ghosts.My father with his diamond eyes
His voice life size.
He says follow me. Follow me.And I come sliding where I've been hiding
Out of the heart of a child.Meet me by the lake. Meet me by the lake.
I'll be there. I'll be there.If only I had the time. To tell you how I climbed
Out of the darkness. Out of my mind.
And I come sliding where I've been hiding
Out of the heart of a child.Sunrise comes across the mountains.
Sunrise comes across the day.
Sunsets sit across the lakeside.
Sunsets across the Pyrenees.Out of the heart of a child.
Out of the heart of a child.
Out of the heart of a child.Meet me by the lake. Meet me by the lake.
I walk accompanied by ghosts.
