

# The Lake (Instrumental)

Laurie Anderson

I walk accompanied by ghosts.  
I walk accompanied by ghosts. My father with his diamond eyes  
His voice life size.  
He says follow me. Follow me. And I come sliding where I've been hiding  
Out of the heart of a child. Meet me by the lake. Meet me by the lake.  
I'll be there. I'll be there. If only I had the time. To tell you how I climbed  
Out of the darkness. Out of my mind.  
And I come sliding where I've been hiding  
Out of the heart of a child. Sunrise comes across the mountains.  
Sunrise comes across the day.  
Sunsets sit across the lakeside.  
Sunsets across the Pyrenees. Out of the heart of a child.  
Out of the heart of a child.  
Out of the heart of a child. Meet me by the lake. Meet me by the lake.  
I walk accompanied by ghosts.
