

Don't You Know

Bend Sinister

Don't you know, I've got a secret for you.
But if I tell you what it is you have to promise me you won't tell a soul.
Which just between you and I.
'Cause girl if it gets dark, I have no doubt that things are gonna get a little crazy around here.
When I don't wonder on our minds

Well can't you see, what you do to me?
Oh, can't you tell that you've got me under your spell.
May I confide, 'cause I just can't hide.
I wanna stop pretending that I'm ain't in love with you.

Don't you know, it's been too long.
That I've been cold there's ice and I'm not nice as I really am, that I really should have been to you.
I play the fool when I thought I was acting cool.

Well can't you see, what you do to me?
Oh, can't you tell that you've got me under your spell.
May I confide, 'cause I just can't hide.
I wanna stop pretending that I'm ain't in love with you.

I wanna stop pretending that I'm ain't in love with you.

Guitar Solo

Well can't you see, what you do to me?
Oh, can't you tell that you've got me under your spell.
May I confide, 'cause I just can't hide.
I wanna stop pretending that I'm ain't in love with you.

I wanna stop pretending that I'm ain't in love with you.

I wanna stop pretending that I'm ain't in love with you.
