Pick Me Up

Janet Devlin

Behind the curtains
I hide from the eyes of the world
And I know for the certain
That this storm is lurking around
And as much as I try to
I never can fight it away
Its taking me down, down, down
AgainI wanna see the fights and fall
I wanna catch a glimmer of hopeI want you to keep my call
I want you to give me more than your soulPick me up
Will you?
Pick me up
From the floor tonightI'll stand up
If you
Pick me up
Pick me up tonightMake me smile
AgainFalling in deeper
Than I've ever dreamed of before
Now its so much more than
Just keeping the wolf from the door
Forever thinking and constantly sinking below
Dont wanna go down, down, down
NoI wanna see the fights and fall
I wanna catch a glimmer of lifeI want you to keep my call
I want you to give me more than your timePick me up
Will you?
Pick me up
From the floor tonightI'll stand up
If you
Pick me up
Pick me up tonightMake me smile
AgainNeed you to fight and fall
Need you to face my all
Need you to give me nothing but lightI want you to keep my call
Come and brave this storm
Want you to give me more than your lifePick me up
Will you?
Pick me up
From the floor tonightI'll stand up

If you
Pick me up
Pick me up tonightPick me up
Will you?
Pick me up
From the floor tonightI'll stand up
If you
Pick me up
Pick me up tonightMake me smile
Again
