

In Spite of Myself

Joe Nichols

I know that there's nights I stay out too late
And time I forget to call
It's true I might argue at the drop of a hat
Or make a big deal out of nothing at all I'm not much for rules but I'm faithful and true
She knows on the inside I'm good
What she sees in me ain't half as important
As what she overlooks And I wouldn't blame her if she said goodbye
'Cause she ain't like nobody else
And I must be the luckiest man alive
'Cause she loves me in spite of myself I know she must wonder if she made the right choice
And sometimes I wonder too
It must be hard watchin' a man like me
Trying to make all of her dreams come true
