

Always Have, Always Will (Remastered)

Ace of Base

Always have, always will

I was mesmerized when I first met you
I wouldn't let myself believe
That you could step right out of my wildest dreams
But you didn't know
That secret part of me
Until we kissed and made it open up so easily

I always have (even when it didn't show)
I always will
You know that I just wanna touch you whenever you're close to me
I always have (doesn't matter where we go)
I always will
You know that I just wanna show you just how much you mean to me (to-do-too)

Always have, always will

Everything that you give in to
Everything you'll ever need
Is locked up somewhere deep inside of me
You gotta know
But more importantly
You've got to stay and hold me
While we live this fantasy

I always have (even when it didn't show)
I always will
You know that I just wanna touch you whenever you're close to me
I always have (doesn't matter where we go)
I always will
You know that I just wanna show you just how much you mean to me

Sometimes we try too hard to please
We should let love come naturally
And sometimes I don't know
Just what you really do to me (to-do-too)
That is OK
'Cause it's all part of the mystery (ooh, ooh)

I always have (even when it didn't show)
I always will
You know that I just wanna touch you whenever you're close to me
I always have (doesn't matter where we go)
I always will
You know that I just wanna show you just how much you mean to me

(To-do-too) always have
(To-do-too) always will
