

Bug A Boo (H-town Screwed Mix)

Destiny's Child

You make me wanna throw my pager out the window

Tell MCI to cut the phone calls

Break my lease so I can move

Cause you a bug a boo, a bug a boo

I wanna put your number on the call block

Have AOL make my email stop

Cause you a bug a boo

You buggin' what? You buggin' who? You buggin' me!

And don't you see it ain't coolIt's not hot that you be callin' me

Stressin' me pagin' my beeper

You're just non-stop

And it's not hot

That you be leavin' me messages

Every 10 minutes and then you stop by

When I first met you, you were cool

But it was game you had me fooled

'Cause 20 minutes after I gave you my number

You already had my mailbox full(So what you bought a pair of shoes)

(What now I guess you think I owe you)

(You don't have to call as much as you do)

(I'd give em back to be through with you)

(And so what my momma likes you)

(What now I guess you think I will too)

(Even if the pope he said he liked you too)

I don't really care cause you're a bug a booYou make me wanna throw my pager out the window

Tell MCI to cut the phone calls

Break my lease so I can move

'Cause you a bug a boo, a bug a boo

I wanna put your number on the call block

Have AOL make my email stop

'Cause you a bug a boo

You buggin' what? You buggin' who? You buggin' me!

And don't you see it ain't coolIt's not hot

That when I'm blockin' your phone number

You call me from over your best friends house

And it's not hot

That I can't even go out with my girlfriends

Without you trackin' me down

You need to chill out with that mess

'Cause you can't keep havin' me stressed
'Cause every time my phone rings it seems to be you
And I'm prayin' that it is someone else(So what you bought a pair of shoes)
(What now I guess you think I owe you)
(You don't have to call as much as you do)
(I'd give em back to be through with you)
(And so what my momma likes you)
(What now I guess you think I will too)
(Even if the pope he said he liked you too)
I don't give a damn 'cause you're a bug a boo You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't cool When you call me on the phone you're buggin' me
When you follow me around you're buggin' me
Everything you do be buggin' me
You buggin' me, you buggin' me
When you show up at my door you buggin' me
When you open up your mouth you buggin' me
Every time i see your face you're buggin' me
You're buggin' me, you're buggin' me You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't cool You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't cool Thou shall not give in to temptation
