It's A Feel Good Thing

S Club 7

Come on join the party , come on get off your seat
Doesn't matter who you are. We all dance to the same beat
Come put your hands together , shake your little feat
(Whay-ee-yay-ee-oh!!)
Buenos tempo , with these friends of mine
Buenos tempo , we have good times
Buenos tempo , it can't get no higher
Buenos tempo , thru the streets of fire
And once you've started up
You're gonna dance until you drop

It's a feel good thing , It's an S Club thing
And when the rhythm hits you you'll be on the right track
It's a feel good thing , It's an S Club thing
Now you're in the party mode , there's no turning back
Just let yourself go an you'll be on the right track
Ev'ry boy and ev'ry girl holding hands around the world
(Whay-ee-yay-ee-oh!!)
Buenos tempo , with these friends of mine
Buenos tempo , we have good times
Buenos tempo , it can't get no higher
Buenos tempo , thru the streets of fire
