

Dead or Alive

Journey

A double secret agent
And he was paid to kill
With cold steel magnum force
Is how the man possessed the skillHe shot a man in Paris
He did a job in L.A.
And if the price was right, he'd surely
Take your life awayWanted, wantedWanted dead or alive
Blood for money, money
Assault, homicide
Blood for money, money
Money, moneyOh yeah
Watch itHe drove a Maserati
Lived up in the hills
A cat with nine lives that's gone
Too far to feel the chillHe never though it'd happen
It was his last mistake
'Cause he was gunned down by a
Heartless woman's 38Wanted dead or alive
Blood for money, money
Assault, homicide
Blood for money, money
Money, money, money, money
