The Hunger

Dami Im

Unanswered questions in my mind
Nothing said and satisfied
And the hunger never dies
I have unturned every stone
Those who sat on every throne
Still the hunger never diesWe're always searching for
Truth, when lives at your door
So do what you need to do
But know what is keeping you
AliveThere's an emptiness inside
And the hunger never dies
That's the meaning of this life
That your hunger never dies
The hunger never diesAll my questions they still stand
Wonder if there is a plan
'Cause our hunger's still alive, oh
I have ran on every part
Seen the storms that ever come
And my hunger's still aliveWe're always searching for
Truth, when lives at your door
So do what you need to do
But know what is keeping you
AliveThere's an emptiness inside
And the hunger never dies
That's the meaning of this life
That your hunger never dies
Never dies, never dies
Emptiness inside
Never dies, never dies, meaning of this life
The hunger never diesIt's a pretty good feeling to know you know nothing
Isn't it?
To be up on the tip of the iceberg
Let it sink inWe're always searching for
Truth, when lives at your door
So do what you need to do
But know what is keeping you
Alive
