

# Starlight

**Bethel Music & Amanda Cook**

You're like starlight in the dark  
Endless miles can't conceal you  
And every glimmer is a spark  
Catching fire as you break through Oh, you're not far away - you come in close  
Oh, even as I wait, you're coming close  
You're like summer in the night  
The sun goes down but still I feel you  
And every shadow's turning bright  
Every broken heart is made new There's no heart unseen  
There's no space between you and I  
You are closer than the very oxygen I'm breathing in  
You are God with us  
You are here with us, emmanuel  
You are infinite, your glory has no end, Jesus
