Everything and All (feat. Brad Paisley)

Randy Travis

(Feat. Brad Paisley)
All like that and everything and all
Everything and all like that
This world is not my home
But it's a pretty good location
I don't like the short-put
That's enough coversation
So while I got the chance
I think I'll take the time to dance
And dance and dance
I'm gonna reach for the sky
Live while I'm alive
Like that and everything and all
Everything and all like that
I'm gonna let somebody else
Take care of all the worry
Changin' my direction
And I won't be in a hurry
I'm gonna slow it down
While the world goes spinnin' 'round
And 'round and 'round
I'm gonna enjoy the ride
Live while I'm alive
Like that and everything and all
Everything and all like that
I can't build a mountain
No, I can't fill up an ocean
No, I ain't that smart
I ain't that smart
I don't know how He did it
But I'm givin' God the credit
God, how great Thou art
How great Thou art
How great Thou art
I'm gonna bait the hook
And let the worm do all the fishin'
Kick back on the bank
And be a man without a mission
I'm gonna slow it down

While the world goes spinnin' 'round
And 'round and 'round
I'm gonna enjoy the ride
Live while I'm alive
Like that and everything and all
Everything and all like this
(Instrumental)
This world is not my home
But it's a pretty good location
I don't like the short-put
That's enough coversation
So while I got the chance
I think I'll take the time to dance
And dance and dance
I'm gonna reach for the sky
Live while I'm alive
Like that and everything and all
Everything and all like that
All like that and everything and all
Everything and all like that
All like that and everything and all
Everything and all like that
Yeah, just like that
All like that and everything and all
Everything and all like that
