

# Jealous (Blue)

## New Kids On the Block

Your smile, oh, your eyes, they light up, trouble skies,  
Trouble skies  
Your face, beautiful grace, just one look and I'm amazed,  
I'm amazed  
You came, something changed, now my life ain't the same,  
Ain't the same But I'm blue  
And sometimes it feels like I've been fractured inside  
Baby, I'm jealous, jealous  
Ah, baby, I'm jealous, jealous No way, there's no way I can break through this pain,  
Through this pain  
Uh, I feel so confused and my heart feels a fool,  
Feels a fool But I'm blue,  
So blue,  
Baby I'm blue  
And sometimes it feels like I'm fractured inside.  
Baby, I'm jealous, jealous  
Ah, baby, I'm jealous, I'm jealous  
I'm so jealous  
Ah, jealous baby  
Baby I'm jealous Can't stop thinking of you, 'cause I'm so jealous, baby  
Can't stop feeling so blue, sometimes I'm jealous, baby  
Can't stop thinking of you, 'cause I'm so jealous, baby  
You're just so careless, baby But I'm blue,  
Baby I'm blue  
'Cause sometimes it feels like I'm fractured inside  
Baby, I'm jealous,  
Ah baby I'm jealous  
Baby I'm blue  
And sometimes it feels like I'm fractured inside  
Baby, I'm jealous, jealous  
Ah baby I'm jealous jealous
