

Honeysuckle Rose

Stéphane Grappelli; Django Reinhardt

Every honey bee fills with jealousy
When they see you out with me
I don't blame them, goodness knows
My honeysuckle rose Flowers droop and sigh when you're passing by
And I know the reason why
You're much sweeter, goodness knows
You're my honeysuckle rose I don't buy sugar
You just have to touch my cup
You're my sugar
It's so sweet when you stir it up On the avenue, people look at you
And I know just why they do
You're much sweeter, goodness knows
You're my honeysuckle rose Every honey bee fills with jealousy
When they see you out with me
You're much sweeter, goodness knows
You're my honeysuckle rose Oh, flowers droop and sigh when you're passing by
And I know the reason why
You're much sweeter, goodness knows
You're my honeysuckle rose And I don't buy sugar
You just have to touch my cup
You're my sugar
It's so sweet when you stir it up On the avenue, people look at you
And I know just why they do
You're much sweeter, goodness knows
You're my honeysuckle rose
You're much sweeter, goodness knows
My honeysuckle rose
