

Lane Boy (feat. MUTEMATH)

twenty one pilots

They say, "stay in your lane, boy, lane, boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow? They think this thing is a highway
If it was our way, we'd have a tempo change every other time change
'Cause our mind's changed on what we think is good
I wasn't raised in the hood
But I know a thing or two about pain and darkness
If it wasn't for this music I don't know how I would have fought this
Regardless, all these songs I'm hearing are so heartless
Don't trust a perfect person and don't trust a song that's flawless, honest
There's a few songs on this record that feel common
I'm in constant confrontation with what I want and what is poppin'
In the industry it seems to me that singles on the radio are currency
My creativity's only free when I'm playing shows They say, "stay in your lane, boy, lane, boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
They be alive tomorrow? I'm sorry if that question I asked last
Scared you a bit like a hazmat, in a gas mask if you ask zack
He's my brother, he likes when I rap fast
But let's backtrack
Back to this
Who would you live and die for on that list?
But the problem is, there's another list that exists
And no one really wants to think about this
Forget sanity, forget salary, forget vanity, my morality
If you get in between someone I love and me
You're gonna feel the heat of my cavalry
All these songs I'm hearing are so heartless
Don't trust a perfect person and don't trust a song that's flawless They say, "stay in your lane, boy, lane, boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
They say, "stay in your lane, boy, lane, boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow? Will they be alive tomorrow? They say, "stay in your lane, boy, lane, boy"
But we go where we want to

They think this thing is a highway, highway
But will they be alive tomorrow?
They say, "stay in your lane, boy, lane, boy"
But we go where we want to
They think this thing is a highway, highway
But will they be alive tomorrow?
