# IÂ´m Sorry

## Bo Diddley

I'm sorry, oh, I'm sorry
Oh baby, I'm sorry for the things I said to youYou know I love you, you know I care
With you, my new heart I want to share
Darling, I need you with all your heart and soul
To know that I want you and I'll never, never let you goBut forgive me, please forgive me
Please forgive me for I knew not what I was sayin'Come on little baby, come on, darling
Give me another chance to make up on my wrong
You know that I love you, you know I'll put nobody else above you
Come on, come on, say that you'll love meI'm sorry, oh yes, I'm sorry
Oh, I'm sorry for the things I've said to you
