

# Iâ'm Sorry

## Bo Diddley

I'm sorry, oh, I'm sorry  
Oh baby, I'm sorry for the things I said to you You know I love you, you know I care  
With you, my new heart I want to share  
Darling, I need you with all your heart and soul  
To know that I want you and I'll never, never let you go But forgive me, please forgive me  
Please forgive me for I knew not what I was sayin' Come on little baby, come on, darling  
Give me another chance to make up on my wrong  
You know that I love you, you know I'll put nobody else above you  
Come on, come on, say that you'll love me I'm sorry, oh yes, I'm sorry  
Oh, I'm sorry for the things I've said to you
