

# Riding Trains in November

## Zolof The Rock & Roll Destroyer

Do you think your mom would notice if we  
Stay out late  
Jiminy I'm so tired I can't stay awake  
Lets go home  
And be safe  
The next time  
We'll go out early and then  
I don't know when  
Bob's home on the 23rd of December  
He should be healthy  
And we'll all have fun  
This time of year reminds me of riding trains  
One year before we were courting now it's three whole years  
Lets go home  
And be safe  
The next time  
We'll go out early and then  
I don't know  
When Bob's coming home at the end of the month  
We should be healthy  
And we'll all say  
Hey you were right let's go home
