## Charley Jordan

Down on deep Morgan
Down about 16th Street
Raised down on deep Morgan
Down about 16th Street
Well... it's down in our basement
Where they women do meet
Down in our basement
Where they work so hard
Well it's down in our basement
Where they work so hard
Well it's all on account that they
Husbands ain't got no job
Saturday evenin'
When they draw they pay
Ohhhh... On Saturday evenin'
When they draw they pay
When they don't love nothin' else
Husbands gon' drive them away
Some draw a check, babe
Some draw nothin' at all
Well...Some draw a check, Lord
Some draw nothin' at all
When they don't draw nothin' else
Husbands bust them in the jaw
Down on Franklin Avenue
Jellybeans standin to and fro
Oh...Down on Franklin Avenue
Jellybeans standin to and fro
Well...you hear one Jellybean ask the other one
"Which a-way did my good girl go?"
