

Restless Heart

[Matt Hires](#)

Pretty girls come from the ugliest places
You come from the worst of them all
Heart-breakers like you are hard to erase
You lift me up just so I fall
I followed you all the way down to the coast
And we kissed under traveling skies
I wish I had seen what was coming for me
But you wear such a lovely disguise Hey you've got a restless heart
Beating out out out on your sleeve
And I won't let this fire start
You say love is all that you need
Well you're not gonna get it from me
Oh-oh, oh-oh, no you're not gonna get it from me You say that you wanted a lover
Someone to cover your head when it rains
But even a hopeless romantic like me
Yeah I know that it's all just a game
Everyone's looking for love
Looking for something to hold on to
Oh I've been looking for 25 years
And I know I won't find it in you Hey you've got a restless heart
Beating out out out on your sleeve
And I won't let this fire start
You say love is all that you need
Well you're not gonna get it from me
Oh-oh, oh-oh, no you're not gonna get it from me I won't let you break my heart
I won't let you break
I won't let you break my heart Pretty girls come from the ugliest places
You come from the worst of them all
Heart-breakers like you are hard to erase
You lift me up just so I fall Hey you've got a restless heart
Beating out out out on your sleeve
And I won't let this fire start
You say love is all that you need
Well you're not gonna get it from me Hey you've got a restless heart
Beating out out out on your sleeve
And I won't let this fire start
You say love is all that you need
Well you're not gonna get it from me
Oh-oh, oh-oh, no you're not gonna get it from me

Oh-oh, oh-oh, no you're not gonna get it from me I won't let you break, I won't let you break my heart
No you're not gonna get it from me
I won't let you break, I won't let you break my heart
No you're not gonna get it from me
