

# Maybe (Mark Taylor Mix)

## Enrique Iglesias

If I had one single wish  
I'd go back to the moment I kissed  
You goodbye, no matter how hard I try  
I can't live without you in my life Maybe you'll say you still want me  
Maybe you'll say that you don't  
Maybe we said it was over  
But baby I can't let you go I walk around trying to understand!  
Where we went wrong and I can't pretend  
It wasn't me and it wasn't you  
But I'm convinced we gave up too soon  
Maybe you'll say you still want me  
Maybe you'll say that you don't  
Maybe we said it was over  
But baby I can't let you go Nothing left to lose after losing you  
There's nothing I can't take  
When I run to you, when I come for you  
Don't tell me I'm too late Maybe you'll say you still want me  
Maybe you'll say that you don't  
Maybe we said it was over  
But baby I can't let you go  
No, no, no can't let you go  
No, can't let you go  
No, can't let you go  
No, can't let you go
