

Mueve (feat. Lali)

Abraham Mateo

Wanna get a little closer Wanna get a little closer, alright
Baby i just wanna know ya
Baby i just wanna hold ya tonight You know you drive me wild
Tu cuerpo es un volc n Baby i just wanna touch ya
Touch ya, touch ya
Touch ya, lento sobre mi pecho Roll with me baby yeah
Dangerous dancer drop like an anchor
Sigue bajando yeah Mueve x2 Shake it for me girl
Just put it on me girl
Call the police girl
H zmelo as - yeah
Mueve, mueve!
Tu y yo muriendo se rompe el silencio
Me estoy derritiendo, esto es un incendio Mueve x2 Shake, shake. shake, shake!
Shake, shake! Mueve, mueve! Love the way you take it down girl
Love the way you take it down girl
So hot! Ni a sigue as - no pares
Ni a sigue as - no pares
Don't stop! Tenerte justo ahi
Look so damn good to me
Baby i just wanna touch ya
Touch ya, touch ya, touch ya Bailando lento sobre mi pecho
Roll with me baby yeah... Mueve x2
Shake it for me girl
Just put it on me girl, mueve, mueve,
Call the police girl
H zmelo as - yeah
Mueve x2
Tu y yo muriendo, se rompe el silencio,
Me estoy derritiendo, esto es un incendio Mueve x2 Shake, shake, shake, shake,
Shake, shake!... Mueve, mueve!
Shake it for me girl
Just put it on me girl,
Mueve, mueve
Call the police girl
H zmelo as - yeah Mueve x2 Tu y yo muriendo se rompe el silencio... Mueve x2
