

silver and gold

adrian smith and project

Silver

(Silver and gold)

Silver and gold, silver and gold

Ev'ryone wishes for silver and gold

How do you measure its worth?

Just by the pleasure it gives here on earth

Silver and gold, silver and gold

Mean so much more when I see

Silver and gold decorations

On ev'ry Christmas tree

Silver

(Silver and gold)

Silver

(Silver and gold)

Silver and gold

Silver and gold, silver and gold

Wise men brought gifts to the manger I'm told

Mary was humble to see

Shepherds and kings there on bended knees

It's silver and gold, silver and gold

Feeling the world with their lives

Silver and gold how they shimmer

On ev'ry Christmas night

On ev'ry Christmas night

Silver

(Silver and gold)
