

# What a Difference a Day Made

[Jamie Cullum](#)

What a difference a day made, twenty four little hours  
Brought the sun and the flowers where there use to be rain

My yesterday was blue dear

Today I'm a part of you dear

My lonely nights are through dear

Since you said you were mine

Oh, what a difference a day made

There's a rainbow before me

Skies above can't be stormy since that moment of bliss

That thrilling kiss

It's heaven when you find romance on your menu

What a difference a day made

And the difference is you, is youMy yesterday was blue dear

Still I'm a part of you dear

My lonely nights are through dear

Since you said you were mine

Oh, what a difference a day made

There's a rainbow before me

Skies above can't be stormy since that moment of bliss

That thrilling kiss

It's heaven when you find romance on your menu

What a difference a day made

And the difference is you, is you, is you
