

# Long Distance Zoom

## Soulwax

Feels like nothin' is real  
When all you can hear is sorry again  
Please don't take my fraud  
As I finish my thoughts for you  
It's my new favourite word  
It's a three letter hurt from inside  
As I try to forget  
It's as far as I'll get to hatin' you  
Complicated - cannot find the words  
Let your mind fall down  
Sophisticated - love the way, it hurts  
Let your mind fall down!  
It's a long distance zoom  
As I try to forget  
It's as far as I'll get to hatin' you  
Tell me - write it down - long distance zoom!  
Complicated - cannot find the words  
Let your mind fall down  
Sophisticated - love the way it hurts  
Let your mind fall down
