Believe In Me

John Michael Montgomery

Love can lift you higher, or cut you like a knife, I been there before.
You've cried out your heart an' had your dreams torn apart, but not anymore.
'Cause, baby, we'll walk hand in hand through this world of shifting sand,
And no matter how crazy things might be.You can believe in me,
'Cause I'm never gonna turn my back.
Baby, I can promise you that I'll never leave.
Forever, I will be a harbour for your soul.
A safe place you can go when you're in too deep.
You can believe in me.It's hard to forget when someone you love has let you so far down.
But the truth in my touch is something you can trust: it's solid ground.
The fear of letting go is paralysing, I know,
But no matter how afraid you might be,You can believe in me,
'Cause I'm never gonna turn my back.
Baby, I can promise you that I'll never leave.
Forever, I will be a harbour for your soul.
A safe place you can go when you're in too deep.
You can believe in me.We've waited all our lives,
For this moment to arrive,
Now here we are on the edge of everything.You can believe in me,
'Cause I'm never gonna turn my back.
Baby, I can promise you that I'll never leave.
Forever, I will be a harbour for your soul.
A safe place you can go when you're in too deep.
You can believe in me.Baby, you can believe in me.
You can believe in me.
Baby, you can believe in me.
Baby, you can believe in me.
Baby, you can believe,
You can believe,
You can believe,
Baby, you can believe.
