Steel Tormentor

Steel Mammoth

Headless
Pullin' the machine down
Comin' to the low sound
Feelin' like a real man, yeahRacin'
Flashin' from down under
Flesh and blood and thunder
Tremblin' wheel in cold hand, yeahFaster, much faster, ohh
What a human speed disaster!
Deeper, much deeper
On to the void I cast'erI'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machineTurkey
Near to devastation
Losin' all my patience
Cannot make this kit fly, yeahDanger
Muscular contraction
Out for satisfaction
Solid intoxication, yeahNightride, it's nightride now
Try to catch my tail lights
So sad, I'm so sad
But you won't ever suck my steel brideI'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machineI'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machineI'm a steel tormentor
And I speed 'round every curve
I'm a mean imperator
Of my intimate machineI'm a
WhaoI'm a steel tormentor
