

The Waiting Room (New Stereo Mix)

Genesis

He panics, feels around for a stone and hurls it at the brightest
point. The sound of breaking
glass echoes around the cave. As his vision is restored he catches
sight of two golden gloves
about one foot in diameter hovering away down the tunnel. When they
disappear a
resounding crack sears across the roof, and it collapses all around
him. Our hero is trapped
once again.
"This is it" he thinks, failing to move any of the fallen rocks
