Oh baby please turn yourself around  
Ahh baby so I can love you good  
Ohh baby baby  
I'll make you feel so good  
Oh sugar just like you want me to  
Oh baby you sure do love to ball  
Oh baby you sure do love to ball  
Oh honey I hope you never freeze  
I love you I love you so much  
Oh baby baby don't ever go no way  
Oh stay with me baby I'll love you night and day  
Oh baby you sure do love to ball
