

Praise Is What I Do

[William H. Murphy, III](#)

Praise is what i do
when i wanna be close to you
i lift my hands in praise
Praise is who i am
i will praise him while i can
ill bless him at all times

and i vow to praise you
through the good and the bad
ill praise you
whether happy or sad
ill praise you
in all that i go through
because praise is what i do
cause i owe it all to you

praise is what i do
even when i'm going through
i've learned to worship you
No, my circumstance
doesn't even stand a chance
my praise outweighs the bad

and i vow to praise you through the good and the bad
ill praise you
whether happy or sad
ill praise you
in all that i go through
because praise is what i do
cause i owe it all to you

praise is what i do , its what i do
