

Vicious World

Rufus Wainwright

Thought that maybe we'd fall in love over the phone
Thought that maybe I'd really love being alone
Everybody but heaven knows how I was wrong Oh Lord what have I done to myself
In the vicious world, such a vicious world
There isn't anything you can do
In this vicious world Sucking on the ice, making eyes all by myself
Didn't realize you were so top of the shelf
Just you wait and see when you turn, turn 23 Oh Lord what have I done to myself
What have I done to myself?
In this vicious world, such a vicious world
There isn't anything you can do in this vicious world.
