

# Yeah Ya Know (Takers) [Prod. By DJ Toomp & Lil C]

T.I.

Damn, has it been that long?  
Is that what happens since I been gone, homie?  
They go that game all wrong, it's too pretty in here  
Lets say we take it back to the ? one time I went from rolling wit' dem rocks on the block  
To controlling my position at the top of every chart I will not stop  
(We ride, we roll, in style)  
(hey, hey, hey)  
(yea you know, yea you know, yea you know,  
Yea you know, yea you know, yea you know)  
Yea we ride, and we roll, and we style,  
Here we go, here we go, we go, we go In the middle of a fight, I'm so cool  
Everybody want it hot I go through  
All of this half of which would have broke you  
Came out smelling like a rose even more ?  
Worldwide, bi-costal, global, nigga's I respect  
Cause they ?  
Cause I ain't got a damn minute ain't no 'tude  
?  
Kickin' doors over just to let my dogs in  
So many rides never catch a n-gga walkin'  
In a G-5 tryna put a bunch of broads in  
Then we landin' laughin' chicks with fantastic asses  
Extravagant habitats, if you never seen tragic happen (hey)  
Make magic happen with cash I'm actually catchin' magic  
In the market for lavish mansions 'n N-B-A expansions  
?  
Way past respect you see, but I neva' as big as a nigga felt a beat ya see I went from rolling wit' dem rocks on  
the block  
To controlling my position at the top of every chart I will not stop  
(We ride, we roll, in style)  
(hey, hey, hey)  
(yea you know, yea you know, yea you know,  
Yea you know, yea you know, yea you know)  
Yea we ride, and we roll, and we style,  
Here we go, here we go, we go, we go So fly why would I wanna land for  
Everything you could ask for and more  
Your choice, you could even be a fan or  
Hate to see a nigga get a hundred grand more  
Bein' a motherfuckin' man, won't stand for

The rap wars, always goin' back and forth  
Livin' in a ? killing like cancer  
? that's for damn sure  
?

The same people on tour, on T-V  
The signed ? shoulda kept your receipt  
Get a refund cause you sure can't see me  
Who keeps CD's on repeat, stuck in MP3's for 3 weeks  
At the gates on the day I was released  
The only time you will ever see me free  
Big money J, much as you can get for it?  
Atlantic records say just make another hit for me  
I tell 'em cut a hundred million dollar check for me  
Like it or not, don't lose no respect for me  
Never mind what I did, cause the best commin'  
I'm the king in a game like chess to me

So put the cash in tha bag,  
Give the rest to the attendant puttin' gas in itI went from rolling wit' dem rocks on the block  
To controlling my position at the top of every chart I will not stop  
(We ride, we roll, in style)  
(hey, hey, hey)

(yea you know, yea you know, yea you know,  
Yea you know, yea you know, yea you know)  
Yea we ride, and we roll, and we style,  
Here we go, here we go, we go, we goI got a new swag and it's a new day  
Here we go again too, what it do 'J?

I'll give you a call, I know the way you used to move yai  
Now I gotta new Audemar with a blue face  
Hoppin' up in G4 jet no suitcase, whole new wardrobe in a new place  
Chain close ? if a stain on my shoelace  
T.I. roll like sushi touche.

If ya can't lay back, who the hell am I?  
Bringin' homicide to the gang, no alibi  
Can't tell a lie to the judge, I'm guilty  
Your Honor do you mind the guy tried to kill me  
I could still be, in a trap now  
AK 'round, little yay 'round  
100k downstairs by the trey pound.

But if ?I went from rolling wit' dem rocks on the block  
To controlling my position at the top of every chart I will not stop  
(We ride, we roll, in style)  
(hey, hey, hey)

(yea you know, yea you know, yea you know,  
Yea you know, yea you know, yea you know)  
Yea we ride, and we roll, and we style,

Here we go, here we go, we go, we goCan we ride can we roll  
We don't stop and we goYeah you know that we ride  
In control we don't stop  
We gon' blow where we drop  
Let you know we on top(Yea we ride, yea we roll, yea we style,  
Here we go, here we go, we go, we go, we go)
