

Minutes

Late Night Alumni

Love to take minutes like these
Moments of peace and keep them close
In this light, little to hide
Here by my side, and so connected Surreal ease, leisurely free
hushed and serene, head to toe
Can't say why I'm suddenly shy
Humble and mild, and so contented Is this real
Am I still here
Still killing time
Watching minutes die Is this real
Am I still here
Still killing time
Watching minutes die
Am I still here Is this real
Am I still here
Still killing time
Watching minutes die
Am I still here Is this real
Am I still here
Still killing time
Watching minutes die
Am I still here Is this real
Am I still here
Still killing time
Watching minutes die
Am I still here
