Get Down With Me

Ideal

Get down, yeah, eh, oh yeah
Get down
Get down with me
Get down, ooh, baby girl
Get down
Get down with me
Oh, oh yeah, yeah, yeah, yeahIf he don't care for you
Baby, come ride with me
Let's make love a reality
Girl, come on and get down, get down, get down with meAnd if he don't treat you right
Baby, don't stay with him
I bet I'll make you fall in love again
Girl, come on and get down, get down, get downGirl, I can see, baby
The pain of love that's in your eyes
So desperately
You try to smile but you wanna crySo tell me girl what you're going through
Is that your man is not being good to you
Baby, don't cry, no
You don't have to, you don't have to, noIf he don't care for you
Baby, come ride with me
Let's make love a reality
Girl come on and get down, get down, get down with meAnd if he don't treat you right
Baby, don't stay with him
I bet I'll make you fall in love again
Girl, come on and get down, get down, get downHow could this be, baby?
A girl like you, so beautiful
Can't even see, no
What love's about, it's such a tragedySo don't keep hiding from the truth
Realize what your man is doing to you
Baby don't cry, no
You don't have to, you don't have to, noIf he don't care for you
Baby, come ride with me
Let's make love a reality
Girl, come on and get down, get down, get down with meAnd if he don't treat you right
Baby, don't stay with him
I bet I'll make you fall in love again
Girl, come on and get down, get down, get downGirl, you need a change in your life
Someone who'll be right there by your side, oh yeah
There's no need to worry, dry your eyes

'Cuz baby, you know you don't have to cry
Baby, I will be right here for youIf he don't care for you
Baby, come ride with me
Let's make love a reality
Girl, come on and get down, get down, get down with meAnd if he don't treat you right
Baby, don't stay with him
I bet I'll make you fall in love again
Girl, come on and get down, get down, get downIf he don't care for you
Baby, come ride with me
Let's make love a reality
Girl, come on and get down, get down, get down with meAnd if he don't treat you right
Baby, don't stay with him
I bet I'll make you fall in love again
Girl, come on and get down, get down, get down
